SUBJECT: Final Congressional Action on  
"Terrorism Czar Provision"

1. As is reflected on the attached pages from the Congressional Record, the Conferees on the foreign aid bill adopted the House "anti-terrorism czar" provision.

2. As you recall, we were able to have Representative Hyde engage in a colloquy on the House floor concerning the import of this provision. The colloquy, together with the language of the provision itself and the accompanying report, make it clear that the Agency's programmatic and reporting equities are to be protected in the implementation of the legislation.
